## RELOCATION AND DOWNSIZING

Floor Plan Design  
Sorting  
Managing Movers  
Packing Supplies  
Professional Packing & Unpacking  
Complete Home Set-up

Relocation and downsizing services for older adults eliminates the physical effort and emotional stress associated with moving. Our personalized and client-centered services are designed to meet our client's unique needs and preferences. We will plan, schedule, coordinate and supervise all aspects of the move based on the custom plan we develop together. Best of all, you will be able to spend your time adjusting to your new home rather than unpacking it!

## ORGANIZING AND DECLUTTERING

Organizing  
Sorting  
Recycling  
Donation  
Consignment  
Disposal

A clean and organized home is a happy home. Most people have too many things and we can help you reduce clutter, organize essentials and dispose of unwanted items. We will work with you to sort and downsize your belongings one room, closet and drawer at a time. Our compassionate and skilled approach will guide you through a simple structured process to help you determine what you want to keep, sell, donate or discard.

## HOME CLEAR OUTS

Sorting  
Donation  
Recycling  
Disposal  
Environmentally minded

Moved out... ready to sell... BUT the house is still full? We can take over from here. We will help determine the proper resting place for all remaining items in your home and keep an eye out for items of value that you may have overlooked. Whether it is donating, recycling or disposal, we will take an environmentally friendly approach to managing complete or partial home clear outs. Let us do the hard work so you can focus on other things.
